Re: Ciba-Geigy Cranston Site

Dear Ms. Kane:

As a result of a conversation I had with Diane Leber regarding the signatories to the Modification of the § 3008(h) Order, I am sending you the Modification document to be signed and all attachments to that document. Once the Modification has been signed by the appropriate Ciba-Geigy official, it should be returned to me at the following address:

U.S. Environmental Protection Agency
Waste Management Division - [HRR-CAN3]
J.F.K. Federal Building
Boston, MA 02203
Attn: Frank Battaglia

Upon receipt, I will get the appropriate EPA signatures and the effective date and send a copy of the signed Modification and all attachments to you and Diane Leber.

If you have any questions, I can be reached at (617) 573-9643.

Sincerely,

Frank Battaglia
